

DOMINION DAY.

How it was Celebrated in Prince Albert.

No. 2 Fire Company is to be congratulated on the success which attended their efforts to furnish amusement to our citizens and celebrate in a fitting manner the 1st of July, our national holiday. A very fair response, considering the scarcity of ready cash existing in town at present, was made by the merchants and other citizens to the call of the Fire Brigade for subscriptions, and a first-class programme of sports—athletic, athletic and horse racing events was arranged. The weather was all that could be desired during the forenoon and until about 5 p.m., when the rain commenced to spill and for an hour or more continued to do its level best towards "laying the dust" for the horse racing, which at that time had just fairly commenced. About 7 o'clock however, the weather took on a brighter aspect and the postponed numbers were gone on with. The programme which was very well arranged was carried out in its entirety—with the exception of the trotting race—for which unfortunately, there were no entries. The large numbers of people from the country swelled the population of the town considerably, and fully 1,000 people witnessed the sports. One pleasing feature of the celebration was the gratifying absence of drunkenness or unseemly conduct of any sort. Not a single arrest was made during the day which is certainly a fact worth recording.

The citizens generally observed the 1st of July and seemed to view each other in making the day pass as pleasantly and agreeably as possible. Very little betting was done on any of the sports. The band of F. Division, N.W.M.P., furnished very excellent music, and enlivened the proceedings greatly by their presence. A resume of the proceedings is given below.

AQUATIC.

Precisely at 10 a.m., the starting hour as announced on the programme, Mr. E. J. Cann accompanied by the starter, moved up the river to Sanderson's mill, the starting point for the one mile swimming race, where Messrs. Cameron and Williamson, who were the only contestants, were found stripped and ready for their initial plunge. A fair start was made, and a good race followed. The course was from the mill to the ferry landing at the foot of King street, including a detour around a buoy placed about a 100 feet from the north bank and about half way up the course, which necessitated the swimmers crossing the current twice. Cameron led from the start, but was closely followed by Williamson, who made a plucky fight for first, but was unable to overtake his opponent, Cameron taking the prize of \$10. A tub race was the next event and again the same contestants faced the starter, when after considerable amusement to the spectators caused by the unseaworthiness of Williamson's tub, the race commenced, but did not last long, the latter preferring to sail his craft keel up, could not make as good time as his opponent, who again took first money. This concluded the aquatic portion of the list, and the large crowds of people who had assembled on the river bank betook themselves to the Park on the east side of McKay street, where the base ball and cricket games were in progress.

BASEBALL.

The first game of baseball of the season between the Prince Albert and Colleton clubs drew a great many enthusiastic spectators, admirers and players of the game. Some very good play was made by both teams, the batteries especially doing good work in the first four innings, backed up in most instances by effective fielding. The home team, however, proved too strong for the tourists from Colleton, and by mutual consent the game was called at the close of the sixth innings. Fred Kerr performed the duties of umpire, a not altogether pleasant task on a baseball field, with satisfaction to the players and spectators. The usual complimentary cheers were given at the conclusion of the game.

AT THE WICKETS.

The return match between the Prince Albert and the F. Division, N.W.M.P. Cricket Clubs was played on the same grounds as the base ball match, a short distance further east, and was witnessed by a goodly number of lovers of the grand old game and friends of the clubs. Notwithstanding that several of the old standbys were absent, the strength of the teams did not appear to be materially weakened, and a good game of cricket resulted from the meeting.

The game was keenly contested throughout the three innings, which lasted from 10 a.m. until 5 p.m. Some fine individual play was done, notably the effective bowling of Captain Agnew and Charlie Newitt for the home club, and Corps. Douglass and Gawne and Sergt. Parker for the Police.

The red coats won the toss and sent the P.A.'s in to face the bowling of Gawne and Douglass, which they had little difficulty in doing, finding the sphere and diving it around with comparative ease. The fielding of the visitors did not shine very brightly, owing no doubt to want of practice. An exception, however, was Corp. Douglass, who made the most brilliant play of the game by a catch off Jas. McKay. The feature of the first innings was the splendid batting of Messrs. L. J. Clarke, H. Starforth and C. Newitt, who kept the visitors hunting leather until the excellent score of ninety-two runs was tallied. Very poor success attended the military in their first innings, the Prince Albert bowling proving too strong for them, and they retired to the tents with a score of twenty-six runs. The follow on was scarcely less disastrous, the police only succeeding in making a total of sixty-two runs. Here again they could not find the canon balls of Agnew and Newitt, with the exception of Cole and Bowdridge who by excellent cricket made the only double figure scores of the innings, namely thirteen and twelve, respectively. Evident lack of team practice on the policemen and the hot delivery of the Prince Albert bowlers together with the fairly good backing the bowlers received from the field, undoubtedly accounts for the easy victory over the gentlemanly representatives of the N.W.M.P. It is hoped the clubs may meet later on in the season. Umpire Northgraves and Warren gave perfect satisfaction in all their decisions.

FOOTBALL.

For the football match only one team (from the St. Catherine's club) turned up, their expected opponents from the Lindsay settlement not putting in an appearance. However the boys from St. Catherine's came down to play football and play they did, choosing two teams from their own club, when a first class exhibition of the game was given, and the prize of \$10 very correctly awarded to them. The sides were ably captained by Messrs. Harry Craig and J. Anderson.

Half mile race, in heats—S. J. Donaldson, 1st; C. Petersen, 2nd; N. Vandale, 3rd.

Novelty race, mile dash—First horse to quarter, \$15; first to half mile post, \$10, first to finish, \$5, was won by J. Parau-teau, who led from start to finish.

The last event of the day was the two hours go-as-you-please in the curling rink for which there was nine entries. The race was keenly contested from start to finish, great interest being taken in it by the numerous spectators. Three prizes were offered, the first being taken by E. Bear, who made 18 miles and 9 laps, with Little Joker 2nd, 18 miles and 3 laps, E. Smith 3rd, 17 miles and 9 laps.

Mayor Knowles returned from the east this week. Mr. Knowles has no doubt but that many immigrants and other travellers will find their way to the Prince Albert district before the end of this year. We must congratulate his worship on being a very successful immigration agent.

Hams, breakfast bacon, spiced roll and Ontario cheese at F. C. Baker's.

In another column we publish a copy of Inspector Flett's annual report on the public schools within his district. We are pleased to notice his reference to the proposed reduction in the public school grant. Such reduction would certainly tell seriously on many of our more isolated schools, and should not be made. The Government are bound by ordinance to the present payments, and no question of a change should be entertained which will affect this year's work.

ST. ANN'S CONVENT.

Closing Exercises and Distribution of Prizes.

Last Friday afternoon were held the closing exercises and distribution of prizes to the pupils of St. Ann's convent, which is conducted by the Faithful Companions of Jesus under the able direction of Rev. Mother Collings. In the handsome and spacious lecture room of the recently erected new brick building a large audience of parents, children and their friends was gathered to witness the presentation of prizes to the students and to view the many fine productions of painting, drawing, and fancy work exhibited. The display was really excellent and deservedly merited the many warm words of praise and hearty congratulation to both teachers and pupils which were bestowed. A very interesting and well rendered programme, musical and dramatic, was given, during which a beautifully engrossed address was read and presented to Hon. Mr. Justice McGuire by Miss Mary Macdonald on behalf of the pupils of the institution, to which His Lordship responded in a very appropriate speech later on, congratulating the Rev. Mothers and pupils on the success attending their efforts, after which His Lordship presented to the students the prizes as given in the list which follows. Mr. D. H. Macdowell, M.P., who was called on, made a few well chosen remarks, thanking those present on behalf of the Rev.
